

ROOTS-AI™ M2 — API negative tests

Target <https://root-ai-updated.vercel.app> · 2026-09-22T06:49:12.489Z · npm run evidence:api

50/50 PASS

Every request below must be refused. No request creates data or sends an email. Cross-user access with real sessions is tested in the database (ROOTS-AI_M2_Security_Tests.sql), which every participant route relies on.

ID	Area	Request	Expected	Actual	Result
UA-01	No session	GET /api/v1/assessments GET /api/v1/assessments	401	401	PASS
